PROFILE

Motivated Computer Science undergraduate with a strong foundation in Data Structures & Algorithms, full-stack web development, and computer science fundamentals. Passionate about building scalable software systems and solving real-world problems through clean, efficient code. Quick learner with leadership experience, open-source exposure, and hands-on experience in backend development, networking, and database systems.

EDUCATION

Indian Institute of Information Technology (IIIT), Guwahati <i>B.Tech in Computer Science & Engineering;</i> Relevant Coursework: Data Structures & Algorithms, Object-Oriented Programming, Operating Systems, Database Management Systems, Computer Networks, Computer Organization & Architecture, Software Engineering	Guwahati, India 2024 – 2028
BJVM, Kota <i>Class XII (CBSE) – 76.5%</i>	Kota, Rajasthan 2023
Engineer’s Point School, Alwar <i>Class X (CBSE) – 99%</i>	Alwar, Rajasthan 2021

TECHNICAL SKILLS

Programming Languages: Java (Core Java, OOP), C/C++, JavaScript, Python
Backend & Systems: Node.js, Express.js, REST APIs, Microservices Fundamentals, Authentication & Authorization
Frontend: React.js, Next.js, HTML5, CSS3
Databases: MongoDB (NoSQL), MySQL, SQL
DevOps & Tools: Git, GitHub, Docker (Basic), Linux, Postman, CI/CD Fundamentals
Testing: Unit Testing (Basic), API Testing
Core CS: Data Structures & Algorithms, Object-Oriented Analysis & Design (OOAD), Operating Systems (Concurrency, Threading, Memory Management), Database Management Systems, Computer Networks (TCP/IP, HTTP)

EXPERIENCE

VLED Lab, IIT Ropar <i>Summer Intern</i> ◦ Selected through a competitive technical interview process for the Summer Internship Program at VLED Lab, IIT Ropar. ◦ Contributed to the development of an open-source software project under faculty mentorship. ◦ Implemented features, resolved bugs, and improved code quality following Git-based development practices. ◦ Collaborated with mentors and peers in an Agile-style environment while maintaining clean, maintainable code. ◦ Strengthened practical knowledge of software engineering principles, version control, debugging, and documentation.	Ropar, India May 2026 – Jul 2026
--	-------------------------------------

PROJECTS

HotelOnTouch – Hotel Management System ◦ <i>Tech Stack: ReactJS, ExpressJS, MongoDB, Firebase Authentication, React Native</i> ◦ Designed and developed a comprehensive hotel management platform supporting room service, laundry, restaurant, and bar operations. ◦ Built customer and hotel dashboards for real-time order tracking, service requests, and operational monitoring. ◦ Developed modular backend services and REST APIs for scalable and maintainable application architecture. ◦ Integrated secure user authentication using Firebase Authentication and designed responsive interfaces for web and mobile.	May 2026 – Jul 2026
PacketGuard – Deep Packet Inspection Engine ◦ <i>Tech Stack: C++, Computer Networks, Multithreading, Socket Programming, Linux, Git</i> ◦ Developed a multi-threaded packet analyzer to capture and inspect live network traffic using raw sockets. ◦ Parsed Ethernet, IPv4, TCP, UDP, ICMP, DNS, HTTP, and TLS SNI headers for protocol-level traffic analysis. ◦ Implemented rule-based packet filtering using IP addresses, domains, ports, and protocols. ◦ Generated real-time traffic statistics and protocol-wise monitoring reports, optimizing performance via multithreading.	Jan 2026 – Mar 2026
Real Estate Database Management System ◦ <i>Tech Stack: Java, MySQL, JDBC, HTML, CSS</i> ◦ Designed an ER model and normalized database schema up to 3NF. ◦ Implemented the database using MySQL with constraints and indexing. ◦ Developed optimized SQL queries and integrated the database with Java using JDBC.	Mar 2026 – May 2026

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Student Activity Council (SAC), IIIT Guwahati <i>President</i> ◦ Organized technical, cultural, and student engagement events while coordinating cross-functional teams. ◦ Coordinated campus-wide event execution and managed student welfare programs.	Guwahati, India 2025 – Present
Rotaract Club, IIIT Guwahati <i>Core Member</i> ◦ Participated in community service initiatives and organized campus events.	Guwahati, India 2024 – Present
Engineer’s Point School, Alwar <i>School President</i> ◦ Represented the student body and coordinated communication between administration and students.	Alwar, India Two Consecutive Terms
